

Product Obsolescence Notification

Issue Date: September 13th, 2018

Dear Customers,

The purpose of this notification is to announce the obsolescence of the following product.

Part ID	Description
AST-100-2L	Autostroke ABX-2L Upgrade Kit
AST-200	Autostroke with Generator

The Key Milestones in this obsolescence process are:

- 1. Formal Notification of Obsolescence June 26th, 2017
- 2. Orders for these products are no longer accepted.
- 3. Replacement parts are not available for purchase.

Support Part Options:

StoneAge will no longer support items for the above assemblies due to supplier constraints.

Alternative Product Options:

In lieu of the recently obsoleted product, we recommend the following option(s).

Part ID	Description
AST-200-V2	Autostroke with Generator, Version 2

If you have any questions, please contact your account representative or me directly. Thank you.

Regards,
